Dear Mr. Stark: DEC and DEP agree as well, and do not object to flexibility for Mr. Barnes' vaccine appointment.

NCSEA agrees as well. I will note that Witness Barnes has an appointment at 3:30 on Thursday to get a COVID vaccine. While I anticipate that he will be finished well before then, should the hearing move slower than anticipated, NCSEA may request to take him out of order so that he can make his appointment.

I want to be sure that I am clear on the proposed witness order – both for this party and others.

With the understanding the parties have agreed to present direct testimony separate from rebuttal testimony, I would like to clarify that SACE/CCL wants to present the Rebuttal of Finley in the Rebuttal Phase, Beach Direct Testimony in the Direct Phase, and Moore Surrebuttal in the Rebuttal Phase.

I have put together what I understand is the total proposed witness order (see attached).

Please confirm or correct this order if it is incorrect.

Regards,
David Stark
